“(he) was great -- will definitely recommend him for other shows.” -- *S.Duxbury/PSAV*

“My event had an ‘eleventh hour’ need of additional technical labor. Through a recommendation I contacted IC. Within an hour I had a proposal in hand and capable technicians that showed up on time the next morning. Our event went off without any issues! The whole process was expedited in a quick, painless, hassle free fashion despite being a first time user. Thank you!”

“IC was able to set up coverage with only a day's notice...I would use (the techs) again with no hesitation.” -- *T.Walsh/Enliven Production Group*

IC Braves The Storm To Set Up For The Republican National Convention!

The Republican National Convention was held in Tampa, FL and Immediate Connections handled the staffing for LogiCom for three separate events during the last week of August this year.

Even with a hurricane offshore Tampa, our team was there! We worked through howling winds and driving rain to get all the gear set up and operating on time.

Everyone showed up even though most were from Orlando and had to make the 80+ mile trip into Tampa even with the pending storm.
