

Welcome Will to New York City!

Will Austen comes to Immediate Connections with more than twenty years experience in the theater and Corporate Events industry.

With a BFA in Technical Theater from Adelphi University, he has worked in almost every technical aspect of the theater and entertainment industries including stage hand, electrician, technical director, shop supervisor, account executive, and now Branch Manager.

Will has also worked on Broadway productions of *Rent*, *Miss Saigon*, *Tommy*, *Matilda*, and *Motown*.

Call him @ (617) 242-2555 x1404 so he can assist you with all of your New York City audio/visual staffing needs. You can also email him -- will@immediateconnections.com.

I.C. is Moving

The Boston Office is relocating July 1 to 42 Jacques Street in Somerville, MA. We look forward to continuing to provide you with great service from our new home.

The Show Must Go On!

It was “business as usual” at the BCEC despite the Marathon bombings that had occurred.

Even though the city was in lockdown on April 19, the Experimental Biology Show with Atlantic Images proceeded thanks to the professionalism and dedication of our technicians and everyone involved.

INFOCOMM JUNE 12-14

IC will be exhibiting at the Independent Technical Service Providers Council Booth (# 380) at InfoComm 2013.

This new council - co-founded by Patty McGoldrick, CEO of Immediate Connections - was recognized during InfoComm 2012.

The business model of a company participating in the ITSP Council is limited to the supply of technical services, intellectual expertise, and skilled labor resources, and does not include revenue generated from equipment sales.

Come by, and say hello!
